VISION, MISSION, VALUE OF THE ACADEMY

Vision

ESYDA-Benin works for development of professional football, in a united Benin where the skills of young people in football are valued and internationally recognized.

Mission

To promote development of disadvantaged young people through the practice of football through their supervision and their participation in national and international competitions

Values

Friendship, peace, tradition, honor.

ACADEMY OBJECTIVES

To identify disadvantaged children and young people gifted with football skills through timely organization of matches and regroupment camps.

To participate to municipal, Departmental, national and international competitions.

To help trained young people sign national and international contracts with major world-renowned football clubs.
