PROJECT

FOOTBALL AND EDUCATIONAL PROGRAMME FOR STREET CHILDREN

I am living in a community called Kodjoviakope close to Ghana Border where many children are between 7 to 15 years living by their own, sleeping at beach side with uncovered raining or cold season.

HOW TO PROMOTE PEACE TROUTH FOOTBALL?

There are very much criminality among them. Always there is conflict between those from Togo side and those from Ghana side. What mainly brings conflict children fight over passengers goods.

FOOTBALL FOR CHILDREN

All these came the idea of bringing them together and I thought of “FOOTBALL” not only build Peace among them but also toand engage them with football.

WHAT WE HAVE ACHIEVED?

Between 2016 and 2017
we had about 35 kids

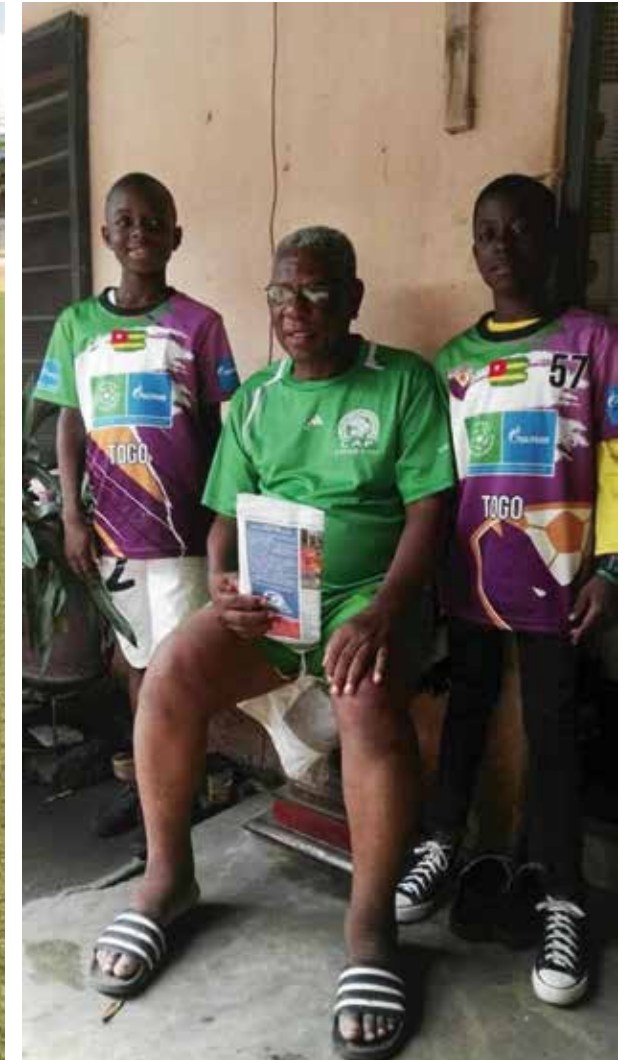

We were able to convince **13** kids back home
currently living with their parents , **13** children
sent back home
